Thank you for your Interest in the 2019 - 2020 Casper Area Chamber of Commerce Leadership Casper program!

Please complete this online application and submit no later than **July 23, 2019**.

Leadership Casper offers a dual approach to Leadership: a comprehensive leadership program and a monthly in-depth study of specific topics as they relate to our local community.

Leadership Casper offers a comprehensive leadership program; participants receive educational and participatory experiences meeting community leaders while networking with a wide array of people. Monthly sessions include site visits, tours and interactive programs that provide participants with a better understanding of community issues with a greater respect for resources and services provided in the community. Leadership Casper consists of eight full day sessions, beginning in early September and continuing through May. Each monthly session includes leadership training as well as topics relative to community, state and the region. Sessions are designed to offer instruction using interactive participation and direct application of the program concepts.

Leadership Casper is open to emerging and established leaders of Natrona County who wish to enhance their leadership skills, knowledge and participation in their community. Participants must work for or be a Chamber member in good standing. Leadership Casper is an equal opportunity program. This elite program is limited to a specific number of participants. The tuition for Leadership Casper is **\$1,000** payable upon acceptance in the program. Leadership Casper is a two-year commitment; participants will be expected to help plan the program for next year's class.

Applicants will be notified by Thursday, August 1st of their acceptance into the program. Do not send tuition in to Chamber until accepted into program.

Active participation, with the full group of class members is the only way for participants to get the true value of the information, awareness and relationships that form the hallmark of the Leadership Casper experience. Absence from two sessions will be excused and graduation still allowed. Absence from more than two sessions disqualifies a candidate for graduation. Notice of absence must be given to Leadership Casper Committee, Chamber of Commerce Executive Director, and Employer twenty-four (24) hours prior to class. **BOTTOM LINE:** Your attendance and ultimate graduation from this elite program are your responsibility!

Cancellations of program involvement must be made in writing to the Leadership Casper Committee, Chamber of Commerce Executive Director, and Employer. No refunds will be made to cancellations received after September 6, 2019. Should you miss more than the allowed two (2) days, a written request may be submitted to the Leadership Committee for consideration of graduation from the program. The Leadership Committee would render a decision in all such cases on a case by case basis.
